

DEPARTMENT OF WATER RESOURCES
EXAMINATION ANNOUNCEMENT

The State of California is an equal opportunity employer to all, regardless of age, ancestry, color, disability (mental and physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

It is an objective of the State of California to achieve a drug-free State workplace. Any applicant for State employment will be expected to behave in accordance with this objective because the use of illegal drugs is inconsistent with the law of the State, the rules governing civil service and the special trust placed in public servants.

REQUIREMENTS
FOR ADMITTANCE
TO THE
EXAMINATION

NOTE: All applicants must meet the minimum qualifications for this examination by the CUT-OFF DATES listed at the top of this Bulletin.

Graduation from a four-year curriculum in surveying, surveying engineering, or surveying geomatics accredited by the Accreditation Board for Engineering Technology. (Registration as a "Senior" in such a curriculum will admit an applicant to the competition, but applicants must produce evidence of graduation before being considered eligible for appointment.)

(Possession of a valid certificate as a Land Surveyor in Training issued or accepted by the California Board of Registration for Professional Engineers and Land Surveyors or possession of a valid certificate as an Engineer in Training accepted by the California Board of Registration for Professional Engineers and Land Surveyors in lieu of a certificate as a Land Surveyor in Training may be substituted for the required education.)

POSITION
DESCRIPTION

The Transportation Surveyor is the entry, first working, and journey level of professional survey work. Under the direction of a licensed land surveyor, incumbents perform a wide variety of professional land surveying work in either an office or field setting. As incumbents progress in experience, they will be assigned more difficult work and may function as a lead person over activities of various surveying and technical personnel in the office or field. At the journey level, and with a license, the incumbent will work in a responsible charge capacity.

Positions exist Statewide with the Department of Water Resources.

EXAMINATION
INFORMATION

Testing is considered "continuous" as applications will be accepted at any time. Examination dates can be set at any time and the eligible lists are merged by the Department of Water Resources.

Competitors may only test once during a 10-month period.

This examination will consist of a **Supplemental Application - Weighted 100%**. In order to obtain a position on the eligible list, a minimum rating of 70% must be attained.
